## Chapter 1 by Reagan Henderson

I sat on my hover board watching TV. My mom sat in the kitchen reading her book. My brother, Xavi, sat on his computer on the couch. While I was watching TV, I heard a noise above the house. My mom heard it too. "Mom, I heard something, I think it's above the house." I said. "Ok, Xavi, don't let Astrid out of your sight, keep her next to you." Mom said. Xavi said, "Ok mom, I won't." And with that mom looked out the window to see 5 star ships outside hovering in the air in the front and back of our house.

"Mom, what's out there?" I asked. Mom said, "Keep against the wall, Xavi, keep Astrid safe." So, with those words, Xavi put Astrid behind him and stared out the window.

Before I knew it, I heard voices calling from outside of our house. "Come out with your daughter! She's been violated against the law! Bring her out or we will be forced to come in!" I stood there shaking of what I did and why they wanted me. Mom whispered to me and Xavi, "Xavi, take Astrid and run, run as far away as you can, I'll hold them off as long as I can." Xavi nodded his head and said, "C'mon Astrid, we gotta get you somewhere safe. I'll explain when we're safe, I'll tell you what's going on, don't worry." And with that he took me by the hand and

I followed him out the back door and down the stairs to the basement. I sat down on the floor and Xavi sat down next to me. "I'm sorry Astrid, I didn't know what I was doing. I just wanted to protect you and your mom."

We finally stopped inside of an abandoned house and hid in the basement. "Explain what just happened Xavi! I'm scared." I said quivering. "Astrid, I'm sorry we didn't tell you before, but, you're.....a.....shell.....you're not a human being.....you're an android." Said Xavi. And as the words struck my heart, I felt that all that love they gave me was fake, that everything was fake. I stood there frozen.

My Heart Was Broken.

An Android?

Me?

No, That's impossible. But what other reason would the government want me? Or was it even the government?

My Heart Was Shattered.
